This letter serves to confirm that..."

Emeco hereby certifies that United for electromechanical supplies and installations is regarded as one of our distinguished and highly valued clients over the past four years. Throughout this period, United has demonstrated continuous commitment in all aspects of our cooperation, maintaining full compliance with our technical requirements as well as honoring their financial obligations in a timely and professional manner.

United has shown a high level of credibility, professionalism, and constructive collaboration, which has positively contributed to the success of our mutual business activities. Based on our experience with United during these years, we consider them a reliable and trusted partner.

This certification is issued upon request to support United in tenders and official business procedures, without bearing any financial responsibility on Emeco.
